PARISHIONER CONCERN

A parishioner wanted to know the procedure for funerals processions. It was discussed that funeral procedures are determined by the family of the deceased, and the funeral director. If specific requests are needed they should be made with the priest and funeral home.

Deacon Mitch asked if St. Paul Church would like to participate in the Jeep Parade August 12, 2011. It was determined that Parish Pastoral Council would not purchase a wooden jeep to paint because of the lack of time and actual Jeep cutouts.

Homework for the next meeting: Council members are to think of articles for the newsletter.

The next meeting for Parish Pastoral Council will be August 11, 2011 @ 7PM.
